Our Organisation

We are Manchester Students' Union, the biggest SU in the country, supporting over 40,000 students throughout their time at university. We help to make student life the best it can be by supporting students to campaign for change, creating opportunities to meet new people, providing employment opportunities, providing advice and support and being a safe place on campus.

We are a values-centred organisation that employs around 90 permanent, full-time members of staff. We recruit a wide range of roles throughout the year within all our departments from our Commercial team operating Manchester Academy Venues, 13 Media, Bar 532 & Kitchen and Corridor Coffee to our Student Activities, Student Engagement, Marketing and Communications, Finance, HR and Facilities teams. Our team of around 400 part-time, studying staff are instrumental in providing support to all departments as well as leading major projects like Student Angels. When you join UMSU, you'll be immersed in an environment that empowers staff to make great things happen and we're always on the lookout for innovative, passionate, and proactive people to join us.

Our staff team is led by our senior leadership team who are instrumental in driving our strategy at UMSU. It's made up of our CEO, COO, 3 Directors and 2 Associate Directors. We are governed by our trustees and Exec Officers, you can find out more about that [here](#). All our permanent, full-time roles are graded (Grade A-E) which means that there is a clear path to your development and progression whilst at UMSU.

Role Overview

Purpose of the Role

As a Research Assistant, you will play a vital role in driving the success of the Students' Union by supporting the Research and Insight Team in designing surveys, gathering and analysing data, conducting market research and writing reports with insights. Your work will directly inform key decisions and campaigns, such as the freshers' campaign, strategy and satisfaction survey work, cost of living insights, and more. By providing data-driven insights, you'll shape how the Students' Union responds to student needs, ensures member satisfaction, and enhances the student experience.

Your ability to analyse both quantitative and qualitative data and report on findings and deliver directional insights will significantly impact the effectiveness of Union activities. You'll support and inform decisions that align with the Union's goals to continuously improve student services, engagement, and communications.

Department Overview: Marketing & Development

The Research and Insight Team sits within the Marketing & Development department, a critical part of the Union that drives student engagement, communicates Union initiatives, and strengthens the Union's connection with its members. The department's goal is to ensure that all activities, events and services offered are informed by student feedback and aligned with the evolving needs of the student body. Through insightful analysis and research, we ensure that our events, marketing, communications, design are inclusive, relevant, and student focused.

How This Role Contributes

In this role, you'll support the success of the Students' Union by contributing to a wide range of projects that aim to enhance the student experience. Examples of your work may include:

- Driving key insights for Union campaigns by designing reports, analysing survey data and producing reports with directional insights that highlight trends, feedback, and areas for improvement.

- Implement the Union's strategy through your research and insight work ensuring that student voices are at the heart of decision-making processes.
- Collaborating with departments and teams across the Union to create meaningful research projects that gather deep insights from students, directly influencing everything from student engagement initiatives to commercial offerings.
- Innovating data collection processes, contributing creative solutions to collect and analyse data that reflect the diverse student population, and providing recommendations that promote inclusivity and relevance.
- Contributing to student satisfaction and engagement by helping the Union better understand the student community, ultimately shaping the services, events, and campaigns we run to align with their needs.
