### **Role Overview**

Union Assembly Chair will play an integral role in overseeing the running of Union Assembly, ensuring that our democracy at Union Assembly is inclusive, transparent and fair. You will aim to seek meaningful engagement from all students, impartially chair student-led discussions, oversee the agenda of Union Assembly and ensure that Union Assembly meets its policy-setting purpose as outlined in the [Union Assembly and Policy byelaw](#).

Union Assembly is a place where a variety of students come together to deliberate ideas and propose policies to improve their student experience. Any student can propose a policy, engage with the topics being discussed, and deliberate the best approach for the Union to take. Once a policy has been approved by Union Assembly, it is sent to an all-student vote to decide whether the Students' Union should adopt the policy. In addition to this, the elected SU Executive Officers will provide updates on their actions and ongoing work in their role to represent students. Each Union Assembly will last no longer than 2 hours and a minimum of 4 will take place during the academic year. More information on Union Assembly and dates for 2025/26 can be found on [our website](#). Our current policies can be found [here](#).

Fundamental to the role is applying community organising principles to ensure that a diverse range of students attend each Union Assembly. You will help to identify communities of students that are likely to be impacted by proposals being discussed and communicate the power they hold in shaping and influencing policies that seek to improve their student experience.

You will facilitate a deliberative process and set out how discussions will take place at Union Assembly. You may enable students to propose changes to submitted policy at your discretion. Items submitted to Union Assembly can be contentious so it will be important for the Chair to ensure all students are confident in sharing their ideas and opinions.

In addition to your responsibilities in chairing Union Assembly, you'll be a member of the Union Assembly Committee that helps to facilitate the democratic will of the student body through ensuring that policies are actionable. You will sit alongside the Union Affairs Officer and the other members of the SU Executive Officer Team on this committee.

This role aligns with all organisational values though there will be a focus on putting students at the heart of our work, being open and transparent, and being inclusive. This role will be ideal for anyone who has a keen interest in democratic values, policy and member led organisations.
